

Exclusive Residential Offer Near Valencia in Bétera

Description

Location Highlights:

- Prime location, just 15 minutes from the city center and 25 minutes from the beaches , offering both convenience and leisure.
- Built on the site of a former banquet hall, blending historical charm with modern living.
- Right next to public transportation, with a metro stop directly across the street for effortless connectivity.
- Easy access to daily essentials, with a supermarket just meters away.
- Surrounded by stunning views of the nearby mountain range and located just 5 minutes from a prestigious golf club.

Families will also appreciate the close proximity to highly-rated schools and educational centers , making it an ideal place for both working professionals and those with children. This peaceful, residential neighborhood is also well-connected to parks and recreational areas, providing plenty of outdoor activities for all ages.

Unique Project Features:

- 32 single-family homes, including 26 semi-detached and 6 terraced houses
- Choose from homes with private gardens or sun terraces offering breathtaking views of the natural surroundings
- Spacious 4-bedroom layouts, including one bedroom conveniently located on the ground floor
- Luxurious master suites with private terraces and en-suite bathrooms

- Private access roads for enhanced security and privacy
- Restored swimming pool with original ceramic tiles, maintaining the heritage of the location
- Landscaping features that preserve the charm of the original estate
- Personalization options available, with over 1,000 choices to tailor your home to your tastes

Quality and Design:

This development is crafted with top-tier materials and attention to detail:

- Reinforced concrete foundations and structure for durability and longevity
- Exterior walls built with both aesthetics and insulation in mind, ensuring energy efficiency
- High-quality interior and exterior carpentry, creating a seamless balance between comfort and modern design
- Fully equipped kitchens with premium furniture and appliances included
- Modern bathroom fixtures and state-of-the-art plumbing systems
- Common areas and infrastructure designed to create a community atmosphere, while maintaining privacy
- Certified construction guarantees, providing peace of mind for all future homeowners

This is your opportunity to live in a unique, well-connected, and family-friendly residential development near Valencia. Don't miss the chance to create your dream home!
