

Golden Lifestyle in Calpe – Exclusive Sea View Apartments with Spacious Terraces

Description

Exclusive Sea View Apartments in Calpe, Costa Blanca

Experience modern Mediterranean luxury in the heart of Calpe (Alicante), just 700 metres from the beach and surrounded by breathtaking views of the Mediterranean Sea, Las Salinas lagoon, and the iconic Peñón de Ifach.

This new residential project offers only 31 exclusive homes, each with a spacious terrace designed to capture the essence of Calpe – the sunlight, sea breeze, and panoramic beauty of the Costa Blanca.

Design & Architecture

Design & Architecture

Inspired by nature and elegance, the building’s architecture features a striking structure with white marble textures and golden ceramic finishes that shimmer like sunlit leaves.

Each apartment feels like a private oasis suspended between the sky and the sea – where comfort, sophistication, and views merge into one.
