

MLSC2276278 / Mutxamel / Alicante / Spain

Description

Have you thought about building your house, do you want a house in 6 months built? Would you like to live near Alicante but far enough away to be quiet? You want to be able to go for a walk, you want it to be at affordable prices in a town with services and growing in a residential area, you want to be communicated with highway 10 minutes away from it but without any noise or pollution? I have good news for you: All this is possible, open your eyes, we have what you are looking for. We have land in Mutxamel, in an area in residential expansion of detached or semi-detached houses, we have land for you to build the house of your dreams, to enjoy the freedom to run your children on the lawn and you can take a bath or barbecue with family and friends. If you prefer the hustle and bustle, only 15 minutes away you will be in San Juan, in 20 minutes in Benidorm, in 15 minutes in El Campello. You can have it all, either sea or mountain. Just ask for the turnkey project with container houses. Discover these modular houses, designed and created by and for you.
