Description

Villa in El Rebolledo, in the area of Alcoraya. This place sounds really lovely, with 222 m² of living space and a plot of 1845 m², you have plenty of space to enjoy. It also has 4 bedrooms, 2 attics and 1 bathroom, making it ideal for families or those looking for extra space. We also have a garage, 1 bedroom and a bathroom outside the house, which we can adapt to our needs and convert this space into another comfortable room, The kitchen is equipped and the interior woodwork gives it a cosy touch, all the rooms have radiant skirting boards. It also has a 29 m² porch, perfect for relaxing outdoors. Although it is 20,000 m from the beach, it feels like you have a lot of comforts at home, such as air conditioning, heating, and your own swimming pool to enjoy on hot days. The extras such as the barbecue, the garden and the loft are perfect for enjoying time with family or friends. Also, it has an excellent location close to 20km from the university, airport and beaches, about 8 km from several golf courses, it sounds ideal for those who are looking for an active lifestyle and outdoors. If you need more information or have any specific questions about the villa, we will be happy to help you!
