Description

Nice Ground floor in La Isla We have the pleasure of presenting this good and beautiful almost new living room apartment in the popular complex La Isla in Torrevieja. The apartment consists of a small hallway, 3 lovely bedrooms, 2 bathrooms, one in suite. A large lovely living room with American kitchen, but all white goods, and a small back room, with washing machine with built-in dryer. The apartment is fitted with Aircon on ducts, which can deliver both cold and hot air. There is a large open window area, with access to a lovely terrace/garden, from which there is also direct access to common areas and a huge closed pool area. There is also a private parking in the basement included in the price. The apartment is beautifully furnished. A really good offer that must be seen.
