Description

Spectacular apartment in the most famous building on the Costa Blanca on the Poniente beach in Benidorm, includes underground garage space and storage room. The apartment (corner) has 2 double bedrooms and 2 full bathrooms: -The bedrooms have built-in wardrobes with white lacquered doors and interior cladding. -The kitchen is equipped with heavy-duty countertops, stainless steel sink, electric oven, microwave, dishwasher, ceramic hob and refrigerator all from top brands. -The living room is spacious, cosy and bright throughout the day, with sea views. It has large windows for maximum comfort, and enclosures of proven quality. -It also has a large private terrace with access from the bedroom and the living room and totally isolated from the rest of the rooms in the house. The building has 6500 m² of common areas and services. On the 46th floor we find spaces dedicated to leisure, with the best views of the entire Valencian Community. It is on this floor that we have a fitness room, a magnificent heated swimming pool, massage rooms and sauna. On the 47th floor is the Intempo Residencial Sky complex. It is here where we can enjoy a sunrise or sunset like nowhere else in Benidorm, from a height of 198 meters. There is also an area with Balinese beds where you can enjoy the Mediterranean sun and 4 jacuzzis with magnificent sea views.
