ОПИСАНИЕ

Located in the quiet countryside of La Romana (Alicante), in the peaceful Partido de La Alcaná, this two-story property offers a wonderful opportunity for buyers looking for a renovation project with great potential. In fact you could see this property as a "casa de pueblo" but on the countryside, allowing you to enjoy the rustic environment without having to spend lots of time and effort into maintaining a huge garden. Set on a 332 m² plot, the house features a bright and practical layout comprising a living-dining area, separate kitchen, two bedrooms, a bathroom, and a spacious garage on the ground floor, as well as multi-purpose upper-floor space which at the moment is completely empty (= very easy to change into whatever you desire).
