ОПИС

A 45 m² studio apartment for sale, located just behind Mercadona supermarket, in a convenient area with all essential services and amenities nearby. The property was originally a simple room but has been renovated and transformed into an open-plan studio apartment, making better use of the available space and creating a modern, loft-style layout. The property also benefits from an interior patio, providing additional outdoor space. It is situated on a raised ground floor and features a window, as well as a terrace that is currently open and incorporated into the interior living area. This creates a spacious, open-plan loft-style environment overlooking the street. An excellent opportunity for anyone looking for a practical property or an investment with potential in Torrevieja.
